What the u2665u2665u2665u2665. this u2665u2665u2665u2665ing game wont load.u2665u2665u2665u2665u2665.. Not worth \$10.00. Fun in the beginning but then I will never play it again.. This game has a few bugs/areas for improvement such as you can't change the number of innings (it's always 3) and the directions regarding how to pitch are mostly absent but it's a lot of fun regardless. It doesn't cost much and I have enjoyed playing it with my nephew for hours on end.
